**COUNCIL ACTION  
EXECUTIVE SUMMARY SHEET  
CITY OF SAN DIEGO**

DATE: 09/17/2013

ORIGINATING DEPARTMENT: Fire-Rescue Department

SUBJECT: Increase CIP B- 14022 Fire Station 9

COUNCIL DISTRICT(S): 1

CONTACT/PHONE NUMBER: Ken Barnes/533-4402 MS 604

**DESCRIPTIVE SUMMARY OF ITEM:**

The Firefighter's Relief Fund has donated \$89,930.98 for CIP B-41022 Fire Station #9 "remodel" and to "improve the living conditions and facility". The funds were deposited within fund 400264 - Donation Firestation 9. This request is to increase CIP B- 14022 - Fire Station #9 by \$89,930.98. The new CIP total will be \$339,930.98. The Fire Station is located at 7870 Ardath Road in La Jolla.

**STAFF RECOMMENDATION:**

Approve the Action

**EXECUTIVE SUMMARY OF ITEM BACKGROUND:** The Firefighters Relief Fund has donated \$89,930.98 in the form of two funds. "Kind to Nine" \$58,094.74 which is restricted to the station remodel only and "Station 9 Fund" \$31,836.24 which is to be used to "improve the living conditions and facility".

This project provides for the design and new construction of the kitchen and individual dorm rooms, and the associated structural, mechanical, plumbing, electrical, ADA upgrades, and all other necessary compliance with the current building code and other regulations for Fire Station 9, located at 7870 Ardath Road, to meet current SDFD operational needs. The "Kind to Nine" funds, \$58,094.74, will partially fund the design of the proposed project. The "Station 9 Fund" monies, \$31,836.24, will partially fund the appliances and furnishings of the proposed project.

CIP B-14022-Fire station 9 was created for fund to reside in until it is determined whether city forces will perform the work and provide materials, or will we need to go with a design/build or design/bid/build project. Overall project costs could drive this decision. Our current estimate to design the project is in excess of \$130K. This is currently being reviewed for negotiation or for other possible solutions.

**FISCAL CONSIDERATIONS:** There is no impact on the General Fund. This request is to increase the CIP B- 14022 Fire Station 9 by \$89,930.98. \$58,094.74 from the "Kind to Nine" donation and \$31,836.24 from the "Station 9 Fund" donation.

Max,

The Station 9 funds (\$31,836.34) were donated for the sole purpose of improving the living conditions and facility of Station 9. The Kind to Nine funds (\$58,094.74) are restricted for the station remodel.

Please let me know if you have any additional questions or concerns.

Thank you very much Wendy and Sally for handling this.

Wendy, I understand you had specific requests attached to this donation but I have not yet received them. Could you please outline those requests in an e-mail or letter?

The following steps will be taken by the Fire-Rescue Department:

1. Checks will be deposited in the General Fund with a place-holder
2. Council action document (1472) will be initiated with the intent to move the funds from the GF to the CIP project (need to attach the donor specific requests to this document)
3. Funds will be moved into FS9

Please let me now if you have any questions

Max

Per Wendy, these funds have already been acknowledged, so no thank you letter needed from the Chief. Checks have been submitted to Dianne.
